Williams Natural Gas Company; Notice of Request Under Blanket Authorization

September 23, 1996.

Take notice that on September 16, 1996, Williams Natural Gas Company (Applicant), P.O. Box 3288, Tulsa, Oklahoma 74101, filed in Docket No. CP96-789-000 a request pursuant to §§ 157.205 and 157.212 of the Commission's Regulations under the Natural Gas Act for authorization to utilize facilities originally installed for the delivery of NGPA Section 311 transportation gas to Brock Gas Systems & Equipment, Inc. (Brock) in Johnson County, Kansas, for purposes other than NGPA 311 transportation, under blanket certificate issued in Docket No. CP82-479-000,¹ all as more fully set forth in the request for authorization on file with the Commission and open for public inspection.

Applicant proposes to utilize existing NGPA Section 311 transportation facilities for other deliveries of gas to Brock. Applicant states the facilities were installed in April 1990, which was during the period of time when pipelines had the opportunity to convert transportation service from NGPA Section 311 to 284 blanket authorization. Applicant states the transportation service itself was converted; however, it neglected to seek authorization to convert the facilities as well. Applicant states the most recent delivered volume was 484 Dth on a peak day with 118,661 Dth delivered annually.

Applicant states the cost to construct the facilities was \$3,350, which was partially reimbursed by Brock. Applicant states that this change is not prohibited by its existing tariff and that it has sufficient capacity to accommodate the service proposed herein without detriment or disadvantage to its other customer.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to § 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefore, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed
